

## **Schott Field Engraved Brick Memorial Patio**

---

Dear Friend of St. Antoninus,

The **William C. Schott Memorial Association** is a non-profit corporation which owns the St. Antoninus athletic fields. The Association leases the fields to the Archbishop who in turn gives the St. Antoninus students the authority to use the fields.

Over the years, a number of improvements have been made to the fields to make them a great place for our children to play and practice. In the spirit of continuous improvements, the Association is planning to build a patio adjacent to the main parking lot area. This patio will allow for expanded viewing of games for the parents, grandparents and fans of our children! The project will also include the addition of a handicapped accessible walkway down to the fields. The preliminary layout of the brick memorial is approximately twenty feet wide by fifty feet long. **(See Below)** The project may be expanded as the budget allows.

To defray the expense of the patio, the Association is looking for donors to purchase engraved bricks for the patio at a donation of **\$50/brick**. Please send your tax deductible check made out to the **William C. Schott Memorial Association** to the following address: Jan Quatman, 5377 Sidney Rd, Cincinnati, OH 45238.
